How To Join...

Please complete all parts of the Application Form then hand it in at the bar. Keep this half. Club and Committee Members are often present in the club, so please ask at the bar if you need a Proposer, Seconder or Committee Member to support your application.

Membership applications are considered by the Club Committee towards the end of each month. If you're a new member, aged 18+ and have paid and completed all sections of the form correctly it's very likely that your application will be approved. You'll then be able to collect your membership card from the club. We'll post it to you if you don't collect it.

You're welcome to start using the club straight away while waiting for your membership application to be processed.
